RAAFI HILMI

6281398249990 | raafihilmi90@gmail.com | https://www.linkedin.com/in/raafi-hilmi/

South Tangerang, Indonesia

With a background in graphic design, I'm ready to bring innovative problem-solving to mobile app development. My collaboration and communication skills will be valuable assets to any team as I'm eager to learn and contribute in this industry.

Professional Experiences

Bangkit Academy By Google, GoTo, Traveloka - Remote   Aug 2023 - Jan 2024

Mobile Development Cohort

Google-led program in collaboration with Kemendikbud and Indonesia's leading technology companies including GoTo, Traveloka, etc. Designed to enhance career readiness through comprehensive training in technology, soft skills, and English language proficiency

- Successfully completing Bangkit, specializing in Mobile Development with Distinction
- Collaborating with a team of other 6 students on a Capstone Project to develop a mobile app for locating nearby street vendors.
- Engaging in Android courses, English language training, and soft skills

PT KUNPRODUCTION DIGITAL AGENCY, - South Tangerang   Mar 2021 – Sep 2021

Graphic Designer

Indonesia-based independent digital marketing agency with years of experience working with Social Media Optimize

- Created 3 impactful social media posts daily for each account, and managed 6 social media accounts, resulting in a 15% increase in audience reach.
- Designing diverse content, including banners, logos, and flyers.
- I follow a creative design process, from collaborative ideation to execution, ensuring brand consistency and meeting client needs. By implementing this approach, I have increased customer satisfaction by 40-50%.

Education Level

Universitas Bina Sarana Informatika - BSD   Sep 2021 - Jul 2025 (Expected)

Bachelor Degree in Information Technology
